

EZ ZAP MILITARY PRODUCTS

ZAP INDUSTRIES INC is proud to support the Military!

Why choose EZ ZAP cleaners over traditional bulk packaged concentrates?

Safe and easy to use. No Spills. No Waste. No Measuring. No Opening.

All you do is pop an EZ ZAP into a 32 ounce spray bottle, mop bucket, or even right into floor and carpet equipment. Then just add warm water, wait 2 minutes for it to dissolve and you're ready to go! EZ as 1-2-3!

- **EZ ZAP portion control eliminates excess use.**
- **Reduced packaging costs mean lower product costs. Eliminates expensive portioning systems as well as their costly installation, setup and maintenance.**
- **Cuts the cost of training employees.**
- **Reduces freight costs.**
- **It can even reduce workman's compensation claims by eliminating the lifting of heavy pails and cases.**

Saves Space

With EZ ZAP your storage issues are a thing of the past. In the space of an average shoebox you can store the equivalent of 64 bottles of conventional cleaners

Provides job site portion control

EZ ZAP can be carried to any jobsite. No more trips to the proportioning system. Easily controls jobsite inventory by only sending out the exact amount you need

EZ ZAP is Color Coded

EZ ZAP comes in EZ to recognize colors so you always know which product you're using. Helps prevent cross contamination and cleaning mistakes

All EZ ZAP products are manufactured from the finest ingredients available and are strictly tested to deliver professional results

Helps Reduce Environmental Impact

By greatly reducing or eliminating packaging, your cleaning needs are now naturally green. And by reusing spray bottles, you help cut down on the over 30 Billion plastic bottles going into landfills each year! EZ ZAP helps your company enhance its green status by instantly lowering your carbon footprint.
